Important Reminders

- **Dog Rules** – If you have a dog, please remember to not only keep them on a leash at all times, but to also pick up after them. It is not the responsibility of neighbors to pick up after your pet.
- **Septic System**— Please do not flush baby wipes, paper towels or feminine products down the toilet. Also, do not put bleach tablets (or any cleaning tablet) in the toilet tank as this can clog the bowls which will result in the need for replacement of the toilet at the cost of the resident.
- **Recycling**—Please use the recycling Bin next to building 60 for recycling ONLY, not household trash.
